Synthetic Lanes Installation

Paul and Nate Stewart of Luxury Lanes

I would like to thank Classic Products for a great upgrade to my bowling center. Classic installed "gently used" synthetic Brunswick Pro-Lanes in September, and the workmanship by their crew was exceptional. Working in the middle of the night and around our busy schedule, the Classic Crew always had us "Ready to Bowl" in the A.M. Our lanes are beautiful and scores are up across all of our leagues. I am looking forward to, "not having to resurface our wood lanes ever again." — Paul Stewart
